Introduction

We are a group of people dedicated to the extension of the Kingdom of God on earth and have found a place in the Body of Christ where we can work and co-operate together to see that vision fulfilled.

We are still learning much about one another and our insights together are causing us to grow closer as a Family of Churches and Ministries.

LifeLinks International Fellowship is essentially a Family of Believers, members of which have found one another and become linked in strong personal relationships and commitment together. This relationship is more than an association of Leaders; it also vitally involves the individual church members in relationships that are meaningful.

To understand LifeLinks, it will be helpful for you to become acquainted with our historical roots.

OUR HISTORICAL ROOTS

In 1987, a number of Churches and Ministries were struggling with their circumstances – many being small Fellowships that had no one to assist them or to encourage them in the work of the ministry. There were currents swirling in Western Canada that left churches feeling that their independence was being challenged by external and sometimes hostile forces.

As a result of a real need, leaders from three small streams of Churches came together for a Conference in Medicine Hat, Alberta, with a view to forming an alliance that would allow them to operate in safety and with encouragement and outside input. This was not a strong doctrinal alliance, but rather one that sprang from the need of those concerned for a stable and strong sense of security and belonging.

These three streams were composed of some who had strong roots in *the "Restoration Movement"* on the US/Canadian West Coast, others who were connected to the *"New Testament Stream"* in Waco Texas, and a third group which had sprung from the *"Jesus People Movement"* in Western Canada and the North Western United States

Initially, the only common denominator among these three groups (outside their faith in Jesus Christ) was Keith Hazell who had a prophetic input into all three and an apostolic influence in one of the groups.

Thus the original coming together was somewhat tenuous since no one knew one another and there were many who were hurt, suspicious and hesitant concerning the whole idea of belonging to anything.

The development of LifeLinks since then has been a steady progression, discovering the way that diverse people function together, and of learning to appreciate the uniqueness of the various groups.

OUR FOCUS: RELATIONSHIPS

The *LifeLinks Family of Churches* is a relationally based group of Churches and Ministries and is not seeking to reproduce identical churches in every community.

As a basis of Leadership, LifeLinks has what we describe as the “Apostolic Council” to provide the umbrella of spiritual oversight needed in our Family. The present members of the Apostolic Council are (starting with the Team Leader and followed by the other members listed in alphabetical order):

IAN BYRD functions as the Apostolic Team Leader. Ian has “grown up” in the LifeLinks Family and he and his wife Valerie lead Church of the Rock Calgary in Calgary, Alberta, Canada. They also give apostolic oversight to ministries in Canada, the UK, and parts of Africa. Their passion is to see God’s Kingdom expand as believers find and fulfill their destiny and calling. Ian and Val are blessed with four sons, three beautiful daughters-in-law, and four grandchildren.

KEVIN BEESON lives in Lewiston, Idaho, USA and serves as the Lead Pastor of River City Church. He’s been a part of the Life Links and River City Church family since 1993. Kevin is passionate about helping the local church fulfill their unique call in their spheres of influence, seeing the kingdom advanced locally and around the world. Kevin and his wife Shelleigh have two great sons, Aidan and Rowan.

FRANK HACKETT and Jody Hackett are Senior Leaders of the team at Connect Church in Cranbrook, British Columbia, Canada. Frank loves helping churches effectively introduce people to Jesus, intentionally disciple Jesus followers, and strategically launch each person into their Kingdom calling. His passions include spending time with family, weird t-shirts, church multiplication, and pie.

MARK HUGHES and his wife Kathy both have grown up in Winnipeg, Manitoba, Canada, where Mark is the Senior Pastor of *Church of the Rock*. With Mark’s evangelist calling and a strong ministry team, the gospel is effectively being preached locally in Winnipeg resulting in a large local church, and nationally, through their vision for broadcasting the gospel on television.

JOEL WELLS and his wife Angela have been part of Harvest City Church since childhood. They were married in 1997 and have three lovely daughters – Eden, Asia and Jael. After 11 years teaching high school, he joined the HCC eldership team in 2006 and then, in 2009, succeeded his father Dave as Lead Pastor. Joel also started Lift Evangelistic Ministries in 2016 and regularly preaches overseas in large evangelistic festivals.

DAVID WELLS functions as the Apostolic Team Leader Emeritus – and, along with Keith Hazell, was one of the primary founders of LifeLinks. Although not actively on the team, Dave is available to provide input and counsel as he continues to minister in network churches in North America and overseas. For 23 years, he and his wife Linda were pastors of *Harvest City Church* in Regina, Saskatchewan, Canada. They have a thriving work and give apostolic oversight to many in the Prairie Region of Canada. As a strong teacher, David also travels extensively. Dave is in growing demand around our LifeLinks churches and beyond.

The Apostolic Council undergoes expansion/change involving apostolic ministries from the LifeLinks Family around the globe to help give renewed direction as the Family grows and develops. Since we are a relational Fellowship, we believe that those joining our Family must build a significant relationship with a LifeLinks leader recognized by the Apostolic Council. Thus we have linked our Family through these individuals in a network of relationships. These recognized leaders often have men and women around them in personal ministry Teams, who aid them in ministering to the churches that have established relationships with them.

The LifeLinks Family has a Doctrinal Statement that is purposely broad and does not closely address many of the more controversial aspects of Christianity. From our history we have learned that relationship will allow us to work well with people who do not necessarily hold identical doctrinal views.

The Relationship aspects of LifeLinks are unique and this means that those involved in our Family have always someone to call on in times of difficulty, or to celebrate with in times of victory. The basis of our relationship with Local Churches is always voluntary. Thus the input into Local Churches is always measured by the desire and invitation of the leaders of the church.

Those in our Fellowship who give apostolic oversight, or are a part of a Team which is doing this, have real knowledge of the churches with whom they are dealing and thus are available to those in the congregation as well as the leaders. There is a safeguard of accountability as well as personal relationship established by these foundational relationships.

The LifeLinks Family is open to all who sincerely love the Lord and are willing to assent to the basic beliefs and conditions of membership. We encourage people to come and participate with us in our various conferences in order to be able to evaluate their ability to fit and flow with us. This process also allows people to gain some understanding of our leaders and to anticipate the one through whom they wish to relate.

The Apostolic Council meets several times a year to seek God and to give direction to the Fellowship. There is a strong relational bond between the members of the Council, and they are much aware of the need to support one another as well as the churches for which they are responsible. Area meetings and special Conferences mean that they minister alongside one another and are able to complement one another in the work of the Ministry.

Our emphasis on *Relationship* means that we stand with the Local Church Leaders and are always involved in a voluntary relationship. We do not attempt to retain any member or church against their will and our policy is only to be involved with internal matters of a Local Church at the express wish of the Leaders and congregation.

We value one another and our relationships in the LifeLinks Family and are always trying to improve our practical application of the principles we teach. Since we lay claim to *relationship* as our key component, we are, and will always be, constantly challenged in this area, and we believe God is giving us the opportunity to learn and to solve problems between individuals and groups as they arise.

Most of all we want to encourage people in their own personal relationship with Jesus.

LifeLinks is all about Jesus and not about us!

Our Vision, Values & Core Strategies

Our vision is focused on ***“Building Churches that Advance the Kingdom”***. We are compelled to equip and train people for the work of the ministry by extending the Kingdom of God through establishing churches in the nations of the world.

OUR 4 CORE VALUES

- Relating:** A relational network connecting leaders, churches and other networks.
- Resourcing:** Utilizing spiritual and Ephesians 4 ministry gifts, biblical principles, and prayer, to build, strengthen and encourage churches.
- Reaching:** Reaching the world through evangelism, church planting, and global missions.
- Reproducing:** Reproducing disciples, leaders, churches and networks.

OUR 4 CORE STRATEGIES

Church Development:

To facilitate the building of Kingdom advancing churches through apostolic oversight that pastors leaders, provides help in crisis, and assists with strategic planning. The running of regional pastor’s retreats is also a key strategy for developing local churches by investing in the emotional and spiritual health of their leaders.

Leadership Development:

To facilitate the creation of new strategies that will help produce leaders in LifeLinks. This includes our current AMP (Advanced Ministry Preparation) program along with the development of other new tools and ways to raise up leaders within the local church. Our goal is to also activate and deploy trainers and equippers within our network to assist churches and ministries in multiplying leaders.

Missions Development:

To focus on development and growth within the international regions of the LifeLinks network – connecting with national leaders and helping them expand their ministries within those areas and beyond. To also consider how to make network missions activity, which is through local churches, known and available to other LifeLinks members to facilitate short term ministry trips and partnership.

Network Development:

To develop and expand the LifeLinks network through effective communication, church planting, along with the gathering of essential finances and the equipping of gifted people to accomplish this.

Becoming a Member of LifeLinks

The Membership of *LifeLinks International Fellowship* has been defined in terms of relationship since the inception of the Fellowship.

Membership is open to churches or individuals who are willing to meet the following two conditions:

1. Members need to be in an established relationship with a Senior Church Leader who is recognized by the Apostolic Council of *LifeLinks International*, or by an Apostolic Council Member. This relationship provides, among other things, fellowship, ministry, accountability, encouragement, exhortation, and opportunity to contribute to the LifeLinks network. This process is described in detail in Appendix “B”, Article VI.7.
2. Individual members and member churches will be expected to pay an Annual Membership Fee as outlined in Appendix “A”, based on the size of the church or their status as an Individual Member. The income from these fees will constitute the General Administration Fund from which the day-to-day expenses (information services, accounting, and administrative costs) and costs for Apostolic Council meetings are covered.

BENEFITS OF MEMBERSHIP

1. **Members** of LifeLinks will be able to call on other Ministry Resources in the Fellowship.
 - E.g. Ministries needed for prophetic meetings, other specialist ministries, conference speakers, youth speakers, etc.
2. **Members** of LifeLinks will be able to use the large international contact base of the Fellowship to be able to participate in mission activities in other Nations.
3. **Missionaries** may join LifeLinks as *individual members* based on the requirements outlined above. Those who are associated with a LifeLinks Member Church do not have to join separately, but function as an *Associated Ministry* through that church. See more on Associated Ministries in “Appendix G”.

The signage of the Church or ministry, as well as the stationary and publicity presentations, may contain the words “*Affiliated with LifeLinks International Fellowship Inc.*”.

WHAT IS EXPECTED FROM MEMBERS IN RETURN?

1. The *Members* will maintain the relationship with the *Sponsor* connecting them to LifeLinks and will be accountable to them for personal lifestyle and adherence to the basic *LifeLinks Statement of Faith*.
2. Annual Fees will be due by March 31st of each year. If unable to meet this deadline, it is expected that members would contact their regional administration office to indicate circumstances and to be responsible in the relationship that membership implies.

Appendix “A”

List of Annual Fees

*(Non-European members only. European fees are administrated through the European office).

List of Annual Fees Required from Members of LifeLinks

1. **International (non-NA/European)** **\$100/ministry¹**
2. **Couples or Individuals pioneering or traveling in ministry** **\$200**
3. **Churches (based upon average weekend service attendance)**
\$10/person
(£6/person in UK)

Example: 250 Average at \$10/person = \$2,500

Minimum fee of \$500 per church (£300/church in UK)

Membership Fees cover the administration costs of LifeLinks while also providing support for the Team Leader’s support.

Honorariums

LifeLinks churches and ministries are encouraged to be generous when covering travel expenses and compensating guest ministers. A good rule of thumb is \$300-500 per service preached and/or \$300-500/day for time spent interacting and imparting to church leaders and others. It’s also important to use current mileage rates for car travel.

¹ For International Partners in regions where economies do not relate to the value of Canadian/US dollars, a commitment to membership is \$100 (US/Canadian).

Appendix “B”

4. To draw together ministries that will form teams, and to recognize existing teams, their authority and relationships.
5. To help Local Church and Ministry Leaders at critical times in their history through prayerful counsel and correction, and by offering biblically sound solutions to problems when such help is requested by the local leadership of a Church.
6. To be available to Leaders to help mediate church related problems at their request.
7. To be actively involved in discipline of Fellowship Members or Churches that act in a manner that is in contravention of the principles of the Word of God.
8. To examine and explore all aspects of Truth as revealed by the Holy Spirit in the Word of God.
9. To arrange gatherings for mutual strengthening, deeper relationships, spiritual challenge, and training of leadership.
10. To equip members to find and function in their calling.
11. To promote the cause of missions through cooperative action, prayer, and finances.

ARTICLE III – SOVEREIGNTY OF THE LOCAL CHURCH

The Fellowship recognizes the right of local Churches to self-government and will not impose their will or direction on any local Church. Should there arise a conflict between the Fellowship and local assembly which cannot be resolved by prayer or consultation, that Church will be asked to resign from the Fellowship. Regional oversight teams within the Fellowship may hold a stronger viewpoint with regard to the independence of the local Church and the point and depth of their intervention in its affairs. However, the Apostolic Council will only intervene in a local Church's affairs following a request from local Church Eldership and the overseeing team or Minister of that local Church.

ARTICLE IV – DOCTRINAL STATEMENT

Members of this Fellowship shall accept an agreed doctrinal statement as a basis for Fellowship.

ARTICLE V – APOSTOLIC COUNCIL

1. An Apostolic Council, comprised of proven, senior and seasoned ministries from within the membership of the LifeLinks Family, shall oversee this Fellowship.
2. New members of the Council should be members in good standing who have been members of the Fellowship for at least two (2) years; who have demonstrated a care and concern for other leaders, and have proven fruit in their ministries. The existing Apostolic Council selects them.
3. Members of the Council will be removed and replaced by unanimous vote of the Council members. The recognition of the team leader is also to be a unanimous decision of the Council.
4. The Apostolic Council members are subject to removal at any time when they cease to qualify under the original qualifications by which they are appointed. They may also voluntarily withdraw at their own written request.
5. The Apostolic Council will appoint a Chairman and Vice-Chairman as well as a Secretary-Treasurer of LifeLinks.
6. The Council shall meet at least twice annually.
7. No binding commitments or decision shall be made by the Council without a two-thirds (2/3) majority of the total Council membership. However, all major financial decisions should be a unanimous decision of all members (including a vote retrieved from those absent from meetings where such discussion/decision is made).

8. A Quorum for the Apostolic Council meetings shall consist of two-thirds of its members, excepting the conditions noted in V.7 above.

ARTICLE VI – MEMBERS

1. All members must be churches or recognized Ministries who are a functioning part of a local church. The latter may be registered as “Individual Members”. Due to the importance of God’s plan to use the Church to establish His Kingdom, LifeLinks seeks to ensure that its membership and purpose are aligned with this plan. For this reason, it will not promote “ministries” which have no solid connection to a local church. LifeLinks does, however, desire to facilitate ministries that strengthen local churches. Individuals functioning in such ministries, who meet the qualifications of Individual Members, may register their ministry as an *Associated Ministry*. As such, they will have the opportunity to publish information and testimonials about their ministry (without direct solicitation for financial support) amongst the LifeLinks membership (see Appendix “G”).
2. All members must be in doctrinal harmony with the statement of faith as defined in Article IV of this document.
3. All members must have a lifestyle consistent with the qualifications set forth for Elders, as listed in 1 Timothy 3 and Titus 1 of the Holy Bible.
4. All member Churches must be governed by Leaders who are members of the Fellowship, or are being overseen by an Oversight Ministry whose members are part of the Fellowship in the absence of locally appointed government.
5. All member Churches must hold and teach doctrine consistent with the Fellowship’s statement of faith.
6. Membership is open to those who are associated with and submitted to a recognized LifeLinks Sponsor or Oversight Ministry, and who identify with the ideals of the Fellowship.
7. All new Members must be received in the following manner:
 - i. Candidates for Membership must have a personal relationship to a LifeLinks Sponsor (as defined in Article VII below) or Overseer for a period of no less than six (6) months before they should be considered for Membership.
 - ii. Candidates for Membership must be recommended for Membership by a Sponsor who is willing to sponsor them.
 - iii. Candidates for Membership will fill out and submit (to the Administration Office for their region) a biographical form provided along with their application for Membership. This information will be distributed to the Apostolic Council and kept on file at the Regional Administration office.

- iv. Candidates who are accepted for Membership will receive a Membership Certificate for the current year.
8. All members of the Fellowship will be expected to submit annual dues to contribute toward the operational costs of the Fellowship.

ARTICLE VII – SPONSORSHIP

1. A *Sponsor* is an Apostolic Council Member, or a Senior Leader of a LifeLinks church, who is a functioning member in good standing.
2. Each new Member will be introduced to the Fellowship by a *LifeLinks Sponsor* who has had close contact with a potential Member for a period of no less than six (6) months and is eager to recommend them to the Fellowship on the basis of a spiritual witness and a sensing of a kindred spirit.
3. The duties of *Sponsors* will include vouching for the personal, financial, and moral integrity of the Membership candidate, and being a liaison to the candidate throughout his/her membership should adjustment or discipline be required.
4. *Sponsors* should be willing to bear some of the responsibility for those that they put forth as candidates and may be called upon by the Apostolic Council to be involved in an ongoing way.

ARTICLE VIII – MEMBERSHIP CERTIFICATE

An annual Membership Certificate will be issued to all approved Members for the Fellowship.

ARTICLE IX – DUES

A current list of dues is contained in this booklet (see Appendix “A”).

ARTICLE X – DISCIPLINE OF MEMBERS

1. One of the purposes of the Fellowship is to help maintain purity of character and to provide an Apostolic oversight for like-minded Leaders and Churches. For this reason discipline may be required with regard to those who fail to maintain the standards of the Fellowship in sound doctrine, personal purity, financial responsibility, and ministerial integrity.
2. Discipline will be handled on the basis of Matthew 18. The following stages of discipline can be expected:
 - i. One on one confrontation by another Fellowship Member. In the event there is no change, step two would follow.

- ii. Confrontation by two or three Fellowship Members including at least one Apostolic Council Member and the Sponsor/Overseer (if not part of the Apostolic Council). In the event there is no change, step three would follow.
 - iii. Removal from the Fellowship by a unanimous vote of the Apostolic Council. A written notification will be handed/mailed to the Member in question along with a request for their Membership Certificate. All other LifeLinks Members will be simultaneously advised of the action taken in an appropriate manner.
3. Members of the Fellowship may also be disciplined by removal from the Fellowship for one-time offences if in the judgement of the Apostolic Council such offences are worthy of such treatment. Offences such as moral impurity, criminal offences, etc. could be of this nature.
4. Members who have been removed cannot be reinstated without the recommendation of a member of the Apostolic Council and a unanimous vote of the Council.
5. Restoration of a disciplined Member shall be in accordance with an established procedure (described in Appendix "C") since we recognize the Biblical purpose of discipline is to bring about restoration in the lives of God's people.

ARTICLE XI – APOSTOLIC OVERSIGHT

1. The Apostolic Council will be available to provide overall Apostolic oversight for the Fellowship and offer judgement on its behalf when requested to do so by a local Church or Sponsor. However, members are encouraged to look to their Sponsor when appropriate.

Representatives of the Council will be available:

- i. For counsel to Fellowship Members.
 - ii. Where possible to visit and minister to Churches and Ministries to help impart strength to them.
 - iii. To aid and assist local Churches in their ordination of Ministries.
 - iv. To Eldershops who need assistance in pulpit supply and assist in finding Pastoral candidates.
 - v. To local Church Eldershops that find it necessary to bring a charge against their Senior Leader.
2. It should be noted that all of these functions are carried out upon request and in no way override the autonomy of the local Church involved. Authority of *LifeLinks International Fellowship* in the local Church is a result of the relationship that a member has established with the Sponsor/Overseeing ministry of their choice. The Sponsor may involve the Apostolic Council on especially delicate matters should they deem it necessary.

ARTICLE XII – AMENDING THE ARTICLES & DISSOLUTION OF THE FELLOWSHIP

1. Amendments to the articles contained in this document may be made by a unanimous vote of the Apostolic Council.
2. Dissolution of the Fellowship will be determined by a unanimous vote of the Apostolic Council. Upon such conditions all assets of the Fellowship shall be distributed to other like organizations with compatible purposes at the total discretion of the Council.

Appendix “C”

Procedure For Discipline And Restoration

Agreed process for the discipline and restoration of those involved in Membership of LifeLinks International Fellowship.

Due to the fact that from time to time it is inevitable that various types of failure in leadership will arise, it is important that there be a plan of action taken in regards to discipline and restoration.

BIBLICAL BASIS FOR DISCIPLINE & RESTORATION

Romans 16:17; 1 Corinthians 5:1-13; 1 Corinthians 5:9-11; 2 Thessalonians 3:14-15; 1 Timothy 5:19-20; 1 Peter 4:15-18; 1 Timothy 4:14; Galatians 6:1-2.

BEFORE A DISCIPLINE TAKES PLACE:

1. We should ensure that the leader is in fact guilty and no accusation should be spoken or inferred but in the mouth of two or three witnesses (1 Timothy 3:19).
2. We must make sure that the discipline does not take place before certain procedures are followed:
 - i. Report the misconduct to local Church leadership
 - ii. Report the misconduct to LifeLinks leadership.
3. We must be certain we are making spiritual and scriptural judgements regarding the matter (1 Corinthians 2:15).
4. It should be established that the misconduct is congruent with scriptural misconduct (references for which are given in *Biblical Basis for Discipline & Restoration* above).
5. Work with any group or denomination with whom this person may have been or is involved.

THE TIME DURING THE DISCIPLINE AND JUDGEMENT PERIOD

1. Where sin is private, seek to stop the spreading of reproach.
2. Where sin is public, seek to protect yet be honest.
3. Counsel the offender to make a confession and to request forgiveness on whatever level is appropriate. Also, a submission to the disciplinary process should be stated publicly.

4. In the case of a public confession of sin, the LifeLinks Apostolic Council/members thereof will attempt to ascertain that the offender is seeking to assume full responsibility for the offense and is willingly entering into true repentance, described as “godly sorrow” described in II Corinthians 7:8-11, and evidenced in:
 - i. A newfound love, peace, and joy.
 - ii. Acceptance of their ministry in a growing way among leaders and congregation.
 - iii. Willingness to work in any area of self-support.
 - iv. Not seeking or demanding support from the body of Christ.
 - v. Not seeking self-defense as a way out of the discipline.
 - vi. Financial responsibility in all areas.
 - vii. Seeking absolutely no excuses for failure.
 - viii. Sorrow for past sin.
 - ix. A testimony of newfound grace and victory over the area of failure.
 - x. An obvious release of the anointing on the person’s ministry.
 - xi. Not seeking for ministry, but to please God and allowing God, through others, to restore them to ministry if deemed appropriate.
5. A reevaluation by corporate leadership after a given period of time (preferably every six months) to evaluate the progress *in the spirit of these guidelines*.

THE PROCESS OF RESTORATION

1. Initially, weekly counseling sessions should be established with the person or persons involved in restoration after one month or so biweekly and possibly on a monthly basis later on.
2. It is advisable that the person be counseled and gains oversight from one person or persons in consultation.
3. That all areas be covered that relate to the moral integrity and character of the person in question. Roots of the result of failure must be discovered.
4. That where appropriate, the wife or husband of the offender be involved in the counseling process as well.
5. That definite assignments be given from the counseling sessions and reporting back on progress by both parties.
6. In the case where professional counseling takes place, that reports be given by the counselor to the person in charge of the restoration that can aid in evaluation.

7. That emotional, rational, spiritual, and social stability of the person under discipline be noted and reported by the counselor and all who evaluate before responsibilities are again resumed.
8. Small non-public areas of service and ministry are given before the completion of restoration takes place.
9. The following are considered good signs of healthy restoration:
 - i. Both husband and wife (in the case of this being a couple) come into good open relationship with God and one another.
 - ii. A noted freedom to worship God.
 - iii. An overcoming of guilt and condemnation.
 - iv. A willingness to allow leadership to set the pace and time line for restoration and to cooperate with it.
 - v. Full submission in action and attitude to the discipline handed out, no longer seeking a way out.

REINSTATEMENT

1. Public reinstatement would include the following:
 - i. Having the offender write out a statement of confession and intent to be approved by appointed leadership.
 - ii. The leadership should then respond by publicly receiving or rejecting the spirit and statement of the convicted party.
 - iii. The leadership should then encourage (unless the situation is negative) the receiving of the confession and the restoration process by asking the people involved to cooperate with the plans for restoration.
 - iv. A clear statement first of all by the leadership of the person having met the requirements and being recognized as restored.
 - v. A testimony of gratefulness and purpose on the part of the restored.
 - vi. on of hands” by members of the Apostolic Council and local church Leaders as required for reinstatement of the ministry where appropriate and encouraging people to receive the person restored.
2. That after the person is reinstated, there is ongoing positive relationship with restorative leadership.
3. That letters be sent to the constituency explaining the restoration and commending them to others.
4. All leadership should be asked to stand with the judgement and plan for restoration so that no confusion can enter in.

Appendix “D”

Doctrinal Statement

I. THE WORD OF GOD

- i. We believe the Bible to be the inspired Word of God.
- ii. We accept it in its entirety as the Word of God in its original manuscripts, Holy, inspired, infallible, and our source of Spiritual light and truth.
- iii. It is our source of revelation of God, the knowledge of salvation, the origin of all things, and of the hereafter.
- iv. It is the final Court of Appeal on all points of doctrine, life and Godliness (2 Timothy 3:16-17; 2 Peter 1:21; Hebrews 4:12-13).
- v. We believe that the scripture of the Old and New Testament is the inspired Word of God. The Doctrine and Beliefs of this Fellowship are contained and limited to the Bible.

II. THE PERSON OF GOD

- i. We believe in one God, manifested as Father, Son, and Holy Spirit, eternal in existence.
- ii. We believe God to be the Creator of all things and Author of Eternal Redemption.
- iii. We believe the Lord Jesus Christ is the only all-sufficient Saviour. We believe the Lord Jesus Christ to be God manifest in the flesh, as the very Son of God, the Creator of all things with the Father, and as the appointed Judge of all men (Colossians 1:12-19; Acts 17:31).
- iv. We believe in the virgin birth of Christ, His vicarious death on behalf of lost humanity, His appointed burial, His bodily resurrection, His ascension on high, His High-Priestly ministry in the Heavens and His physical return to the earth to receive the righteous, both living and dead, and to execute judgement upon the wicked.
- v. We acknowledge the Holy Spirit as: Comforter, the agency of regeneration, the Revealer of Christ and His work on the cross, and the Distributor of gifts and graces upon the Church.

III. THE TWO ORDINANCES

We believe that Christ observed, established and commanded the Church to observe two ordinances:

- i. Water baptism by immersion, of confessed believers in the Lord Jesus Christ, as practiced in the New Testament Church (Acts 2:38). This act is a visible representation of our death, burial, and resurrection with Christ.
- ii. The Lord's Supper, as a means of fellowship in the Spiritual body of Christ, and to partake of the Spiritual benefits provided for New Covenant believers.

IV. THE BAPTISM IN THE HOLY SPIRIT

- i. We believe in the infilling of the Holy Spirit, subsequent to the New Birth, with the Biblical expectation of speaking with other tongues and/or prophecy and the enduement with power to witness, and the accompanying gifts and graces. (Acts 1:8; 10:44-46; 19:1-6; 1 Corinthians 12:5-11; Romans 5:5).

V. THE UNIVERSAL CHURCH

- i. We believe that every born-again believer is a member of the Body of Christ, His Church (Colossians 1:18; Ephesians 1:20-23; 1 Corinthians 12:12-13; Ephesians 4:11-16).

VI. DIVINE HEALING

- i. We believe that divine healing is part of God's provision for mankind and that through the gifts of healing, the laying on of hands, the anointing with oil, or by simple faith alone, physical healing and deliverance from pain are privileges of humanity throughout the Gospel Age. (Mark 16:17-18; 1 Corinthians 2:9-10; 1 Peter 2:24; James 5:13-16).

VII. EVANGELISM

- i. We recognize the highest obligation of the saved is to spread the Gospel to the lost world.
- ii. This may be accompanied by: preaching the Word, praying, living according to the tenets of the Bible, and the sacrificial giving of the Saints (Acts 1:8, Matthew 28:18-20, Matthew 3:8-10, 1 Corinthians 9:7-23).

VIII. THE SECOND COMING OF CHRIST

- i. We believe in the physical, personal return of our Lord Jesus Christ and the events pertinent to the following Scriptures (Acts 1:11; 1 Thessalonians 4:16-17; Titus 2:12-14; 2 Thessalonians 1:7-10).

IX. THE CHRIST-LIKE LIFE

- i. We believe that **ALL** Christians are called into a life of separation from sinful practices and that they should take every opportunity to promote righteousness and Godliness (James 4:4; Romans 12:1-2; 1 John 2:15-17; 2 Corinthians 6:13-18; Romans 13:1-10).

X. THE LAYING ON OF HANDS

- i. We believe that the laying on of hands as practiced in the New Testament is an operation of the Ministry of the Holy Spirit for: the dedication of children, ordination of ministries, sending out of ministries (Acts 13:3 – Paul and Barnabas), healing of the sick, baptism in the Holy Spirit, and the reception of spiritual gifts.
- ii. We believe through the laying on of hands, prayer and prophecy, that spiritual gifts and ministries are imparted or confirmed in Spirit-filled believers.

XI. ASCENSION GIFTS OF CHRIST

In view of our recognition of the five ministries (as referred to by Ephesians 4:11) of *Apostles, Prophets, Pastors, Evangelists, Teachers* in the universal Church, we further recognize their ministries within the context of the local Church, when separated and consecrated by a recognized local Church body. Travelling ministries will be recognized in our local Churches when related Biblically to a recognized Ministry Team or when responsible to a local Church that is part of the Fellowship.

Appendix “E” Communication

The Apostolic Council of the LifeLinks Family is vitally concerned with communicating with our members and our friends. In order to do so, we have tried to apply ourselves to the available technologies as well as to make ourselves personally available to our spiritual Family and friends.

To this end we have encouraged every Member to gain access to the Internet for themselves and we endeavor to communicate with everyone via email where possible.

LifeLinks has a **Web Site** on the Internet at the address www.lifelinks.org. Details of meetings and events can usually be obtained from there. Directory information of a personal nature, other than the Senior Leader(s) of a ministry, is only made available to LifeLinks members.

Our Web site team is continually developing techniques to allow us to assist and serve you better. From the Web site, you can find directory information, regional and international ministry events and news, and links to other LifeLinks ministry sites.

Our use of the Internet will increase for on-line teaching and for registration of Conferences etc. We strongly advise our Members to become acquainted with the use of these means of communication.

**You will find the addresses and information concerning
our Members and Churches on the Web site:**

Appendix “G” Associated Ministry Information

LifeLinks exists to promote God’s plan to bring His Kingdom to the world through His Church. While the support and strengthening of the local church is our primary focus, we recognize that the Lord provides gifts/ministries to strengthen the church.

As such, we use the term “Associated Ministry” to apply to individuals who may be involved/directing “ministries” that are not in themselves local churches, but have demonstrated themselves to be fulfilling God’s mandate to strengthen and build local churches. As well, these individuals need to be rightly related to a local church (which does not need to be a LifeLinks member).

If you desire to register your ministry as an *Associated Ministry* of LifeLinks, then you must be an “Individual Member” of LifeLinks according to the conditions explained in this booklet. This Information page is only to be submitted with a completed “Membership Application Form” (see Appendix “F”).

As indicated in the *Membership Application Form*, you have agreed to be accountable to a Sponsor that is a part of the LifeLinks Family in matters relating to moral, ethical, and ministerial conduct. This will be essential to the ongoing recognition of your *Associated Ministry* in LifeLinks. To ensure that both the named Sponsor and yourself understand the importance of this condition, please complete the following:

To obtain recognition of an *Associated Ministry of LifeLinks International, Inc.*

We, the undersigned, have willingly entered into a relationship whereby the

Associated Ministry named:

Under the direction of:

(Name of Individual Member directing Associated Ministry)

is accountable in matters relating to moral, ethical, and ministerial conduct to:

(Name of LifeLinks Sponsor)

As an Individual Member with an Associated Ministry, you will have the opportunity to publish information and testimonials about your ministry (without conducting direct solicitation for financial support via the LifeLinks communication networks).

Partnership Relationships

A Suggested Model for Apostolic/Oversight Relationships

The LifeLinks Apostolic Council recognizes the opportunity for LifeLinks members to form *Apostolic/Oversight relationships* with ministries within or without the LifeLinks Family. These give members the benefit of the protection and the building effects of such relationships.

Members have the freedom to form partnerships within these relationships. These arrangements are not part of the membership requirements of LifeLinks, but are negotiated between LifeLinks members and the Apostolic/Oversight ministry of their choice. When such a relationship is desired with a LifeLinks Apostolic/Oversight Ministry, the Apostolic Council is available to provide counsel as to how to enter into such a relationship.

The following is a suggested model/guideline for Partner Relationships. *This example is based on a partnership with an Apostolic/Oversight Ministry.* Other types of partner relationship may be formed with Prophetic or other types of ministries. Terms relating to “Apostolic Ministry” refer to the Apostle or Apostolic Team, and “Partner Member/Church” refers to the party who is voluntarily entering into a partnership arrangement with the chosen Apostolic ministry.

1. Partner members/Churches, as they are able to do so, contribute to expenses for visits from Apostolic/Oversight team members. The degree of contribution is dependent on the ability of the member/church to do so, and the agreement made with the Apostle they relate to. Contributions of the Partner Member are made to the Apostle’s *Apostolic Fund* (described below).
2. There may be a financial aspect to the relationship in which the Partner Member/Church pays regular support to the specific Apostolic/Oversight ministry with whom they maintain a connecting relationship.
3. Each Apostolic Ministry within the LifeLinks Family will administrate, or delegate the administration of the funds described above, through their own *Apostolic Fund*. (Note: for the Canadian/American context, this fund should be administrated by a registered charity organization in order to facilitate the receipting of contributions). The *Apostolic Fund* should be accounted to the individual churches/members they are overseeing through written financial reports.
4. The monies given to the Apostolic Funds may be used as follows:
 - For the payment of the salary of the Apostolic Ministry. This will relieve the pressure on Local Churches whose Leader is traveling Apostolically, allowing a proportionate reduction of the Local Church responsibility as the Leader’s outside responsibility increases.

- For transportation costs to smaller churches that cannot afford to fully pay for expenses, thus allowing all to assist one another in growth.
- For sending other Ministries to churches overseen where some assistance and maintenance is required.
- To allow *Apprentice Ministries* from the churches involved some subsidy for the expense of traveling with and learning from Senior Ministries.
- To assist in bringing in relevant speakers and the arrangement of area and specific local Conferences.
- Offering hospitality to those Local Church representatives visiting his home/church (or where others in the church help out with hospitality on a regular basis).

BENEFITS OF PARTNERSHIP RELATIONSHIPS

In the spirit of the New Testament church, LifeLinks believes in the support of the Ephesians 4 ministries such as apostles and prophets in the same way that the contemporary church has supported mission ministries. As contributions are made to support and further these recognized ministries, the Kingdom is advanced, and the support given is not necessarily tied to a “direct benefit” to those who are giving. At the same time, there are obviously benefits that come from a genuine relationship with these leaders.

Through visits, phone calls, and other means of communication, the Apostolic ministry can assist the local church/partner members in areas such as suggested in the following agreement form.

This form may be a useful tool to help establish these partnerships. This is not a legal document or contract, but is intended to set out the practical expectations of relationship and to prevent there being unspoken expectations which cause friction and unfruitfulness in the relationship.

(suggested...)

Apostolic/Oversight Partnership Agreement

That is: The Relationship between

(Apostle/Overseer) and those working directly with him,

AND

(Partner Member)

1. _____ (*Partner Member*) will be related to *the above named Apostle/Overseer* and those associated in the care of partner members/churches with him.
2. The relationship shall be one of mutual agreement and is to be maintained by real interchange of counsel, prayer, practical help, and support.
3. The agreed upon financial support should be sent monthly to the *Apostle's* Apostolic Fund. This support will be sent in the form of a cheque made out to:

and sent to the following address:

5. The *Apostle/Overseer* or a member of their team will visit the *Partner Member* as able, and in the case of a church partner member, to confer with the Leaders, maintain contact with the congregation, and to do whatever is possible to maintain the growth and health of the church.
6. The *Partner Member*, or in the case of a church, the Senior Leader/Leadership Team Member, will be encouraged, on occasions, to travel with the *Apostle/Overseer* to increase the strength of the relationship. This would be at the expense of the Partner/Church, but likely there would only be travel expenses, since there would usually be hospitality offered for traveling companions.
7. At any mutually convenient time during the year, the *Partner Member*, or in the case of a church, the Senior Leader/Leadership Team Members, may visit with the *Apostle/Overseer* at his home and will be offered hospitality in an attempt to foster relationships and to deal with any problems arising or personal difficulties being experienced.
8. Where the *Partner Member* is a church, the *Apostle/Overseer* or members of their Team will attempt to assist in areas such as:
 - Vision casting and development
 - Development of Leaders

- Focusing of Missionary Ministry
- Youth input and development
- Prophetic Presbyteries
- Providing speakers for key conferences

Such help would be on the usual Ministry basis for the specific incoming Ministries but they would only come at the request of the Leader(s) of the Church. None would be “sent” without such request.

THE BASIS OF APOSTOLIC VISITS

The following are some points set out in a book by Rodney Lynch which would form the basis of the Apostolic visits.

1. Normally an apostle ought to visit once a year. There might be a greater frequency for a new work, one recovering from a major set back, or one with a new Leader/Leadership Team. Length of visits may vary but a number of days should be set aside to be sure that they are available either in one or in two slots.
2. When the Apostolic Ministry visits, he/they:
 - Meet with the pastor and elders and their wives for mutual sharing, problem solving, prayer and exhortation and encouragement of the Leaders.
 - Resolve any conflicts in the church where possible.
 - Impart vision for Ministries at home and abroad. Assist in Missions Focus.
 - Teach Foundational Truths.
 - Recommend or endorse candidates for Eldership or for the Ministry in church planting.
 - Ordain ministries
 - Spend quality time with the Pastor, wife, and family.
 - Visit in Elders homes if possible
 - Have opportunities to be known by the congregation.
3. In the absence of the Apostolic Ministry:
 - remain available for emergency calls or visits.
 - pray regularly for the Church and its Leaders.
 - keep a faithful record of visits and impressions.
 - maintain regular contact by email or phone and is available for consultation at reasonable times.
 - are available to the Congregation if they wish to gain his/their perspective on any issues.
 - provide an annual statement of Income and Expenditure from the Apostolic fund.

4. What is expected in return?

- Public recognition of the role of the Apostolic Ministry and Team
- Pray regularly and publicly for him and his family and those who work with him.
- Give reports to the congregation, from emails or other communications received, of activity and prayer needs.
- Financially support regularly and without prompting.
- Receive the input given prayerfully and act on it prudently.
- Keep him advised of prophecies, special meetings, and events where the Holy Spirit has spoken to the Church.
- Encourage others to financially support specific projects and to financially sponsor some who may need to travel in order to gain experience with him and his team.

Other aspects of this Partnership agreement not covered in the above include (attach page if more space is needed):

Signed,

(Apostle/Overseer)

(Partner Member/Senior Team Leader)

Please make a copy of this agreement for both parties.
